APPENDIX A

Rolling Starts

- (i) When the Grid Marshal signals for the Karts to be released drivers will be under "Starter's Orders".
- (ii) Whenever a Kart is stopped on the Track it is forbidden to receive any assistance, other than to remove the Kart to a place of safety.
- (iii) Drivers will complete one (1) rolling lap and one (1) formation lap prior to the Start signal being given.
- (iv) The rolling lap will end as Karts pass the grid apron the first time. The Driver on pole position must slow down immediately and maintain a constant speed and direction during the formation lap to allow the whole field to form up for the Start.
- (v) Drivers must maintain their grid position until the Start signal has been given and failure to do so may incur a penalty. Drivers who raise their hands unnecessarily may incur a penalty.
- (vi) A Driver who is delayed will have the possibility of regaining their grid position only if this manoeuvre does not impede other Drivers and in all cases before having reached the Red Formation line. It is forbidden to use any course other than the Track used during the rolling and formation lap in order to try and regain their position.
- (vii) If a Driver stops for any reason during the formation Lap, the Driver will not be allowed to try and start again until the whole field has passed them. That Driver will then start from the back of the formation. Should the Driver try to start ahead of the field in the hope that the leading Drivers overtake them, that Driver will be shown the black flag and be excluded from that Race.
- (viii) From the "Red Formation Line" it is forbidden to overtake another Driver, irrespective of the number of formation laps. The Driver on pole position shall set the speed (approximately 25% of race speed) at which all Competitors shall approach the Starting area in anticipation of the Start signal being given.
- (ix) The Starter will give the Start signal as the Drivers approach the Control Line only if he/she is satisfied with the formation and speed of the Karts. The static Green or National flag will signal the Start of the Competition.
- (x) A Driver will be permitted to accelerate only after the Start signal has been given.
- (xi) The Starter and Clerk of the Course will be considered as Judges of Fact during the start procedure.
- (xii) If the start is aborted a yellow light/flag and/or Chevron Flag will be displayed and the start procedure will be repeated.
- (xiii) Any driver who causes the start to be aborted may incur a penalty.
