

SKIN CARE POLICY

The Australian Karting Association (WA) Inc. strongly advises patrons of clubs to protect themselves and their children from skin damage caused by harmful UV rays of the sun.

The provision of 30+ sunscreen is the responsibility of all patrons.

Sunscreen is to be used only as a supplement to suitable clothing and hats. Sunscreen is not wholly protective by itself.

POLICIES

For a copy of the following policies, please contact the State Office.

- Anti-harassment
- Privacy

Please refer to the 2002 Karting Manual for Drugs in Sport Policy.
