

## **STATE RULES - 2009**

1. Club Runs to incorporate up to four (4) Clubs (including the Promoting Club) - this is to be left optional to the Promoting Club.
2. JUNIOR NATIONAL CLASS - Open meetings, unless Supp Regs specify Light and Heavy, the class will run combined weight of 130kg.
3. SENIOR NATIONAL CLASS - Open meetings, unless Supp Regs specify Light and Heavy, the class will run combined weight of 145kg.
4. SPORTSMAN 125 CLASS - Open meetings, unless Supp Regs specify Light and Heavy, the class will run combined weight of 170kg.
5. Australian National Championship class champions will be permitted to run green plates bearing the number one (1). Plate and number one (1) to be used only in the class they were awarded 1<sup>ST</sup> place for the period they remain National Champion of that class.
6. It is compulsory to seal all Midget, Rookie and 125 Restricted Class restrictor plates at all State and Zone Series. All restrictors to be checked prior to sealing.
7. **Supplementary Regulations.**  
Supplementary Regulations for all approved WA Open meetings and the State Championships will be available on both the State and National Websites. Drivers who do not have access to the web can contact their club secretary for a copy. **NOTE:** Clubs will no longer be posting out a copy to individual licenseholders.
